

CHAPTER 37-07.2

NATIONAL GUARD TUITION GRANTS

37-07.2-01. National guard tuition grants - Terms of grants. Any qualifying member of the national guard who enrolls in any private nonprofit college or university in North Dakota granting a four-year baccalaureate degree may, subject to the limitations of available appropriated funds and subject to national guard rules promulgated by the adjutant general, receive a grant in an amount equal to the payments made pursuant to chapter 37-07.1 for similar courses and credit hours for each qualifying member of the national guard who is enrolled at the university of North Dakota. Any private nonprofit college or university that agrees to participate in such a program must waive tuition for qualifying national guardsmen in an amount equal to the difference between the tuition grant received by the national guard member and the tuition charged for similar courses and credit hours at the university of North Dakota. The use of the grant may not be restricted to the payment of tuition fees by the member of the national guard. These grants must be distributed according to rules promulgated by the adjutant general and are available only so long as the member maintains satisfactory performance with the guard, meets the qualification requirements of the rules, and pursues a course of study which satisfies the normal requirements of the school. As used in this chapter the word "tuition" has the same meaning as provided in section 37-07.1-02.

37-07.2-02. Limitation. Repealed by S.L. 1983, ch. 389, § 2.

37-07.2-03. Application for grant. It is the responsibility of the individual member of the national guard to request the grant on an application provided by the adjutant general at the time of enrollment for each semester or academic term for which a grant is requested. The grants provided for in this chapter must be paid from such funds as may be appropriated for tuition payment purposes in accordance with chapter 37-07.1.

37-07.2-04. Regulations. The adjutant general may adopt, amend, and rescind any national guard regulations, pursuant to chapter 28-32, deemed necessary to implement and administer this chapter.
